Any extension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee. The date on which the response, the petition, and the fee have been filed is the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. - e) ☐ They present additional claims without cancelling a corresponding number of finally rejected claims.

NOTE: Applicant was requested to cancel non-elected claims to a container (58-70). I note, Non-examined container are now presented, questionably as it is not clear both container & SLIS, or just SLIS is claimed. In either case, SLIS is now on priority in 46, it was a hardened shape.

2. ☐ Newly proposed or amended claims _____ would be allowed if submitted in a separately filed amendment cancelling the non-allowable claims.

3. ☒ Upon the filing an appeal, the proposed amendment ☐ will be entered ☒ will not be entered and the status of the claims will be as follows:
